MAKING & COLOURING WORKSHEET

MAKING TASK: KARTA

The puppets in The Paper Escaper are made in different ways with a range of paper-based materials. Benny is 2D and has a recognisable human form, while Karta is made from all sorts of scraps and is a unique 3D creature.

Students can explore different methods of drawing, colouring and collage to create their own Benny and Karta art masterpiece using the provided template to build on. You can print the worksheet at A3 to give students more room.

Materials:

- Printed copies of worksheets
- Pencils, markers, crayons
- Small scraps of coloured paper
- Other small craft bits and pieces
- Glue
- Scissors

We would love for you to send through your finished artworks! Email images to:
